THURSDAY EVENING, JULY 28.

CAUGHT ROBBING A TILL.-Charles Reed, the Chicago lawyer, who assisted in the detense of Guiteau in his trial for the murder of President Garfield, has for some time past occupied a suite of rooms at Taylor's Hotel, in Jersey City. It has been his custom to take his meals at the restaurant attiched to Rich's Hotel, near by. Yesterday, as usual, he visited Rich's. The head waiter absented himself for a short time and on his return found Reed behind the counter, engaged in an attempt to abstract money from the money drawer. The proprietor was informed of the matter, but he would not prosecute Reed. He told him, however, never to enter the hotel again.

THE KNIGHTS AND THE VATICAN.-The conclave of twelve American bishops, asked by the Vatican for a decision upon the advisability of the Roman Catholic Church interfering with the knights of labor, voted 10 to 2 that "There is no occasion for the church to make a special deliverance re-garding the knights of labor." The ques-tion was then examined at Rome and the secretary of the sacred congregation com-municated this resolution to Cardinal Gibbons, of Baltimore, in a note containing the usual formula-nihil in novetur. Subse quently an attempt was made from the United States to induce the Vatican to re-verse this decision, but the holy see refused to reopen the question.

\$1,500,000 FOR A STEAMBOAT.-The Old Colony Steamboat Company, of New York, has contracted with John Roach & Son, of Chester, Pa., for an iron palace steamer, for use on Long Island Sound, to be called the Puritan, and to cost \$1,500,000. The machinery will be made in New York. It is intended to make the Puritan, which will be a sister ship of the Pilgrim, the hand-somest vessel under any flag and a perfect floating palace. Work will be started im-mediately, and will give employment to hundreds of hands.

The advantages of advertising in the GAZETTE are, therefore, ap-
